Dear Club President, Committee Members and Coaches,

As you are aware, the Football Wide Bay Council approved the new Club Connections Program for 2010. This program links coaches and players from club training programs and Wide Bay representative training programs. The purpose of this is to share coaching knowledge throughout the Zone to improve the overall skills of coaches and players which should, in turn, improve the standard of local competitions.

To achieve these objectives, Football Wide Bay has employed Skills Trainers to run the program. These skills trainers are:

Bundaberg: Fiona Stevenson: fionafootball@bigpond.com 0438 162 853

Hervey Bay: Andrew Catton: acatton@fcac.qld.edu.au 0427 488 660

Gympie/Maryborough: Darryl Cash: darrylcash@hotmail.com 0431 254 022

The Club Connections technical program has been developed in liaison with the Regional Development Officer, Greg Caulley, and is in line with the new National Coaching Curriculum.

The Skills Trainer for your CA will be in contact with your club to organise coaches and players to be involved in the program on a rotational basis in accordance to the attached schedule.

If your club has any questions about the program, please contact your Skills Trainer or the RDO (Greg) by phone on 0402 136115 or by email: greg.caulley@footballwidebay.com.au

Football Wide Bay is pleased to be able to work more closely with clubs to further develop our game.

Kind regards,

MJ Ethell

Melissa Ethell
